2. On 13 June 1961, [redacted] Chief, Printing Services Division, Office of Logistics, and [redacted] of this Office, met with Mr. John W. Haley, Staff Director, Joint Committee on Printing, and outlined, in general fashion, the Agency's problem with regard to this legislation. Mr. Haley advised that as a result of a meeting of the full Committee on the subject, no action is to be taken by the Committee on the proposals. Senator Carl Hayden (D., Ariz.), Chairman, Joint Committee on Printing, has taken a strong stand against any retroactive payments.

3. In keeping with Mr. Haley's view that no action will be taken on these proposals, no further action by the Agency is indicated at this time. We will, however, continue to watch for any further developments concerning the proposed legislation.
